## SKILLS

### Design

Personas  
Sketching  
Storyboarding  
Survey / Interview  
Information Architecture  
Wireframing  
Prototyping  
User Testing  
Lean UX  
Agile Development

### Software

Adobe XD  
Figma  
Sketch  
Illustrator  
Photoshop  
InDesign  
Axure RP  
InVision  
Zeplin  
Arduino

### Programming

HTML/CSS  
JavaScript  
C++

## WORK EXPERIENCE

### Adobe | Sr. User Experience Designer

Apr. 2018 - Present | San Francisco, CA

Led, strategized, and designed the creative and business administrative experience for Adobe Cross-Cloud Platform. Responsible for guiding strategy and executing end-to-end user experiences from concept to ship. Articulated the need and proposed solutions through sketches, storyboards, hi-fidelity mockups, prototypes. Worked closely with product managers, engineers, designers, and other project stakeholders.

### Siemens Healthcare | UX Designer

Oct. 2015 - Mar. 2018 | Princeton, NJ

Led the design for the AI-driven Siemens clinical decision support software. Designed the next-generation ultrasound system. Researched and designed the touch interaction framework across Siemens healthcare products. Worked closely with developers and customers in the agile development process.

### IBM Cloud | UX Designer

Jan. 2015 - Sep. 2015 | Shanghai, China & Austin, TX

Designed the end-to-end experience for IBM Cloud software including IBM Cloud Manager and Bluemix mobile app. Participated in the Designcamp program in Austin, and worked on projects in multiple domains using the IBM Design Thinking process. Worked directly with engineering lead to assure design details are implemented correctly.

### Siemens Corporate Technology | UX Design Intern

Oct. 2013 - Nov. 2014 | Princeton, NJ

Designed the Siemens Helx Evolution ultrasound system. Worked on enterprise products in multiple domains including healthcare, field service, wearable device, and big data. Participated in user research, concept development, workflow analysis, wireframing, and user testing.

## OTHER EXPERIENCE

### ADPList.org | Design Mentor

Jan. 2021 - Present | Remote

Mentored 25+ sessions on career advice and portfolio review. [View my profile.](#)

### Siemens Healthcare | Design Intern Coordinator

Mar. 2016 - Mar. 2018 | Princeton, NJ

Recruited, coordinated, and managed 16 design interns for the Siemens Healthcare design team. Mentor 2 design interns on the healthcare projects.

## EDUCATION

### Master of Design | Interaction Design

Sep. 2012 - Oct. 2013 | The Hong Kong Polytechnic University, HK

### Bachelor of Engineering | Information Engineering

Sep. 2008 - Jun. 2012 | Southeast University, Nanjing, China
